## *From Romania with love*

### *Dedicated to the Dutch people*

... Everything has begun when the representative of the Dutch people has first visited Primavera Center in Resita.

They confessed they have fallen in love with the children from here and with our country as well!

Since then, the children and the parents from our institution have felt permanently that somebody from outside the country cares about their needs. That is not only about the material resources provided by the Dutch communities, but is also about increasing the self esteem of the children with disabilities from Resita, by placing them in the center of your priorities system.

Sometimes, the life is very hard for those children and they have to confront difficult situations, but it is important to know they are not alone, they have your backup.

This year the support coming from Holland has been exceptionally materialized in sponsoring the process of exterior renovation the building of Primavera Center. The institution, having a surface of 1000 m<sup>2</sup>, is offering services for about 370 children with special educational needs.

The activity, coordinated by Mr. Jan Nieuwenhuis, has been financially supported by RABOBANK SURE FOR MORE UTRECHT, FORMIDO WIELEWAAL STRAAT AMERSFOORT, ROORDINK M.A.N. DEALER BARNEVELD.

In the last 5 years many other Dutch companies have sponsored the transports coming here to raise the life quality of the families from our area, out of which we mention: AVT LOGISTIEK, B.M.C. EDE, BREICLUB AMERSFOORT, EDCOR SNELTRANSPORT AMERSFOORT, FOTOGRAFIE JAN VERHOEFF LEUSDEN, GARAGE G. KREIJNEN MIDLAND HOOGLAND, MEDIE PLUS

AMERSFOORT, NORVELL JEFFERSON PRODUCTIES NAARDEN, T.M.S.  
TOTAAL MAIL ALMERE, VH&P ADVIES ZEST, JPK ZONWERING  
BUNSCHOTEN, a.s.o.

We did not mention the person's name, because the people involved into those humanitarian activities are so numerous. Some of them donate goods, some others give their time and money, or assure the transportation mean and others who also contributed, insisted not to mention their names, under any circumstances.

Towards all of you, we would like to express our gratitude and appreciation for all the activities fulfilled in order to help foreign people in need. Your contribution has brought a tremendous joy in so many families here!

Beside that, your example has motivated us to set up this program significant named H.E.L.P. We have chosen this name because it is about Humanity, Education, Learning and Partnership, concepts very well transposed in life by the Dutch people.

By knowing you, we had a better understanding over the meaning of the European values: respect for the human being, acceptance, tolerance, involvement, responsibility.

We could just hope to be able to follow your model, in order to make our world a better place to live!
